My mistake – I went back and realized that I somehow neglected to attach the two water papers. Here they are.

They are all here now.

Debbie,

The following are attached. I will also bring you and Bill hard copies.

1. The issues calendar, as compiled on 1/13 for the period of 2/1 – 4/30.
2. Four transition issues papers: Anaconda, SC/SJV Air, CA UIC Aquifer Exemptions & Bay Delta
3. A list of suggested first 90-days managerial/operational meetings, adapted from notes for previous RAs.

I'm out Friday (leave requests sent) but will have one more week to help out if you or Bill should need anything.

Jessica
